**HONORING ART** – Israeli sculptor Jeremy Langford (left) and his wife Yael dropped by the Beverly Hills City Council meeting on Tuesday during their visit to California to accept a prestigious Thea award for his work on the new Chain of Generations Heritage Center at the Western Wall in Jerusalem. Langford designed the illuminated glass sculptures, which are the centerpieces of the new center. One of his sculptures will be installed at the Young Israel of North Beverly Hills Temple, which is under construction on Civic Center Drive. On the right is Beverly Hills Mayor Jimmy Delshad.
